HISTORY of the music: Christopher Hyland commissioned composer Maestro Joseph Vella to author a Call to Peace, Peace Mass in Concert, and a Peace Fanfare and Anthem which had its World Premiere in 2013, with subsequent performances at Manuel Theater, Saint Patrick's NYC, and most recently, Pristina, Kosova in celebration of that country's fifteenth year of independence, the youngest country in Europe.

As a school boy Hyland first told Maestro Arthur Fielder of the Boston Pops that, one day, when he grew up he would like to have a concert just like Mozart's, sustaining this aspiration for decades.

Hyland feels that, were Maestro Vella, were he still with us, would exalt in the talented artists who will, once again, give life to his compositions in the Pantheon.
